

Dear Dr. POYI CHANG, CVS-Life

Hello?

Congratulations on hosting the 3rd Annual Conference of Value Engineering Society of Taiwan on December 21, 2019.

In particular, VE applications in the industry, VE & TRIZ applications, and QFD and VE applications will contribute to global VE activities in the future.

"Society of Korean Value Management (SKVM)" and "Korea Business Development Association (KBDA)" will develop together through exchanges with VEST.

"We wish for the continued development of the Value Engineering Society of Taiwan (VEST).

Thank you.
